

State of the X.org, 2026

But first...

- A special thanks to Arm for hosting this year's XDC!
- A special thanks to Charlie Dixon for organizing

Sponsors

- This year we had 18 sponsors!?
 - This is four more than last year
 - This is the most sponsors we've had in the history of XDC :)
 - Wowie
- Thanks to our sponsor hunters!
 - Mark Fillion
 - Andres Gomez

XDC talks/papers committees

- 47 talks this year!
 - 8 full slot talks
 - 22 half slot talks
 - 18 lightning talk slots (including workshop summaries)
 - 3 workshop talks

XDC talks/papers committee

- Big thanks to the XDC Papers Committee!
 - Ricardo Garcia
 - Alyssa Rosenzweig
 - Erik Faye-Lund
 - Daniel Stone
 - Timur Kristóf
 - Martin Roukala

fd.o CoC transparency report

- Two reports received, and only one warning was given
- From last XDC onwards, only one user has received a warning – no users were banned.
- Currently in talks with Otter Tech for contracting them for advisory on CoC case handling, procedures and case resolution.

Updates on SPI → SFC transition

- The transition is almost complete
- Remaining funds for X.org should be transferred by the end of the year.
- Thank you SFC for helping the process move forward!

Board Elections

- 86.6% of members participated in the election.
- We had 7 candidates running for election for 4 board seats this year!
- Thanks to our previous board members:
 - Simon Ser
 - Neal Gompa
- Everyone welcome our new and returning board members:
 - Alyssa Rosenzweig
 - Timur Kristóf

Become a member!

- If you're at this conference, you should sign up as a member!
- <https://members.x.org/>
- Remember, membership needs to be renewed annually!

Join us next year...

- We're still looking for potential hosts in Europe for next year's XDC!
- If you are interested in hosting, you can find more details on our RFP process here:
 - <https://www.x.org/Events/RFP/>
