X.Org / Freedesktop Infra

- cloud hosting costs - **\$27k in 2022**, that's ~\$10k more than 2021!
- GCE → Equinix done - **should zero biggest part of the costs**, \$14k spent in 2023
- testing and preparing for datacenter migration to another Equinix location – new stack and **IPv6**
- ~2 days of downtime related to migrations so far
- **lots of love for our heroic admins**

Code of Conduct Transparency Report

- 7 reports
- 1 of which involved removal of a user

Google Summer of Code

- 2nd year in a row with GsoC
- **5 students** – everyone passed
- Huge thank you to the **mentors** <3
- Thanks to people coordinating:
 - Trevor Woerner and Christopher Michael

Endless Vacation of Code

- **EVoC is on hold** due to administrative issues.

Software Freedom Conservancy

- Our soon-to-be parent organization.
- **Thanks to everyone who voted.**
- Bylaws changes were approved.

- **Transition in progress** – a lot of boring paperwork.
- Fingers crossed that'll be done by the next XDC.

The Foundation

- **Not a member yet? You definitely qualify!**
- Superpowers include:
 - voting
 - bragging rights
 - access to specifications
 - Khronos conformance
